

**REMARKS/ARGUMENTS**

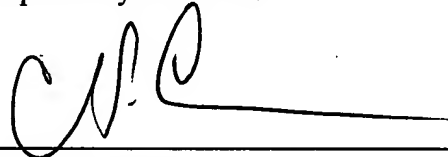

Entry of the above amendment is respectfully requested prior to examination of the application. The above application corresponds to an application originally filed in Great Britain as an international PCT application. The above amendment revises the application to be in a format more closely corresponding to that customarily employed in US patent practice.

Please note that during the international phase of the PCT application, one amendment was filed under Article 34. The listing of the claims as revised in the above amendment is relative to the amendment filed under Article 34 during the international phase.

If there are any questions, please contact the undersigned attorney for applicant.

Dated this 7<sup>th</sup> day of March, 2005.

Respectfully submitted:
